

PRODUCT CATALOG

VISION JD 360

TABLE OF CONTENT

CLASSIC BACKGROUND

The backdrop is a deep black, providing an elegant canvas that enhances the brilliance of the jewelry. Its matte finish eliminates glare, keeping the focus on the showcased pieces.

CLASSIC STAND

The deep black plate designed for showcasing jewelry. Its smooth surface creates a sophisticated stage, enhancing the brilliance of the pieces placed upon it.

SHINEBRIGHT

the easy-to-use display machine that makes your jewelry pop. Featuring customizable lighting and smooth rotation, it highlights every detail for an eye-catching presentation.
